Company Name \*  ?

Address \*

Postal Code/Zip \*  City  Prov \*

### REQUESTER INFORMATION :

Contact \*  Phone \*    x

2nd/Night Contact  Phone    x

### SHIPMENT SPECIFICS :

Pickup

Date(yyyy/MM/dd) \*

Ready Time \*  :

Closing Time \*  :

Shipment Type \*  Dangerous \*  Heat \*

Reference/ BOL# (Additional Reference Numbers can be separated by COMMA (,))

Quantity *	Description	Weight (lbs) *	Expedited *
<input type="text"/>	<input type="text" value="SKIDS"/>	<input type="text"/>	<input type="checkbox"/> Kg <input type="radio"/> Yes <input type="radio"/> No

You can request a pickup online easily by filling out our pickup request form, by clicking the Pick Up Request Tab. You can submit pickup requests from an existing online quote, or create a pickup request without a quote attached to it

# Rate Request

The screenshot shows the Kindersley Rate Calculator interface. At the top, there is a navigation menu with links for HOME, ABOUT US, CUSTOMER RESOURCES, LOGISTICS, SERVICES, ONLINE TOOLS, and LOG OUT. Below the navigation is a sub-header 'COMMUNICATION ACCESS - TEST'. The main heading is 'RATE CALCULATOR' with a red asterisk indicating a mandatory field. The form is divided into three sections: 'Shipment Information', 'Contact Information', and 'Optional'. The 'Shipment Information' section includes a 'Net Rate' link, an 'Account' dropdown, a 'Shipping Date' field with a calendar icon, and dropdowns for 'Service Type' (Regular), 'Rate base' (Weight), and 'Shipment Type' (Prepaid). The 'Contact Information' section has fields for '\*Contact Company', '\*Contact Name', '\*Contact Phone', 'Contact Fax', and '\*Contact Email'. The 'Optional' section includes a 'Declared Value\$' field, a radio button for '\* Canadian Currency for Declared Value', and a warning '\*NO USED RESIDENTIAL GOODS PERMITTED\*\*'. At the bottom, there are two dropdowns for 'Origin City or Postal Code' (with 'BOLTON' and 'ONTARIO' selected) and 'Destination City or Postal Code'.

From here, you can get quotes for our domestic LTL service. Please note that some restrictions apply. Quotes can only be created for:

- o CWT Rates
- o Kindersley Transport Canadian domestic direct service points
- o Shipments that consist of less than 10,000 lbs
- o Shipments less than 143" length, 96" width/height

Value Added Services If additional service will be required please choose them from the list provided. Note that additional charges may apply. Quote Details Review and confirm that the information you have provided is correct. Be sure to review the Piece information, Value Added Services selected, Fuel Surcharge, and Shipping Details. Select account: from the drop down menu, select which account the quote should be provided on. Click Submit Request. Once the quote is generated, you can print a copy for your records. Note: There are some situations where we cannot provide a quote based off the information provided. To submit the request by email to customer service, click Submit Spot Quote

When requesting spreadsheet data (XLS or CSV) use the options below to specify which items to include in the table. These options are ignored for PDF reports.

Select ALL  Kindersley Pro#  Bill of Lading#  Customer PO#  GL#

Shipper Information  Name  City  Street  State/Prov

Consignee Information  Name  City  Street  State/Prov

Transit Information  P/U & Del Dates  Appt Date  Weight/Pcs  As Weight

You have selected to schedule a report for automated delivery. It is necessary to refine the range of Delivery dates to be included in the report so that the report will generate the correct information at the time it is run. You can select from one of several predefined Delivery date ranges, or if you select a specific number of days, the report will include the number of days specified ending at the date the report is generated. Please note that any Delivery dates referred to below are relative to the Delivery date on which the report is created. Also, please be sure to assign an appropriate description to all reports. The description will appear at the top of each page when the report is printed and will be the subject line for email messages.

Description

Report Duration  Or No. of Days

Scheduled Date

Scheduled Time

From the Reports Tab, you can select one of the following reporting options:  
Standard Probill Report for shipment status, Dimensional Probill Report for shipment dimensions, VAS Charge Report for accessorial charges on your shipments, Document Imaging report for BOL, POD, and VAS images.  
Enter a date range, select the requested report from the drop down menu, and click Submit to view the list.

You can also choose to export the data to Excel
