

Managed Transportation Surcharge Update

August 29, 2024

Dear Valued Customer,

We would like to thank you again for your continued patience and understanding while we navigate the recent challenges caused by the rail work stoppage.

CN & CPKC have announced that they have ended their respective work stoppages. We would like to advise our customers that we are still experiencing delays and we do expect that it will take a little while to get caught up. With that said, we will not be charging the Managed Transportation Surcharge for shipments picked up on or after Thursday August 29, 2024.

Please do not hesitate to contact customerservice@kindersleytransport.com with any questions you may have.

Regards,

Kindersley Transport Ltd.
